

Diversity, Equity, and Inclusion Statement

HelloBaby's vision is a Chicago where all young children and their caregivers can experience positive and safe play and socialization in a nurturing environment. That opportunity and prosperity are in reach for all here in our beautiful city.

There is a reason that at HelloBaby our services are always free of charge. We are a no shame zone by intentional design. All are welcome to gather and play here regardless of socioeconomic situation, race, ethnicity, creed, color, sex or gender.

We are committed to Diversity, Equity, and Inclusion which is at the core of who we are, our mission, our values, our services offered, and our vision for our organization and the citizens of our city.

The ethical actions we take as an organization, as leaders, as people, are to strengthen the communities we serve and advance our strategic focus to provide safe and inclusive play spaces for all who desire to join us.

We are also social justice entrepreneurs leading the important conversation and advocacy awareness for our current play crisis. And we intend to eliminate play deserts throughout Chicago and beyond.

Join us.
